

Safety, Permanency, and Well Being - *for Every Child.*

Issue 10

Because All Kids Count....

Franklin County Children Services is there.

Each year, Franklin County Children Services helps more than 30,000 abused and neglected children – and it offers services and support to thousands of troubled families throughout Franklin County. Approximately 67% of the agency's operations are funded by two property tax levies, a 3.1 mill levy and a 1.9 mill levy.

The 3.1 mill levy, approved by the county voters in 2009, expires at the end of 2019. Without a continuation of this levy, which generated more than 42% of FCCS' operating budget in 2018, Children Services will not be able to provide vitally needed services to abused and neglected children and their families.

The 10-year, 3.1 mill RENEWAL levy, ISSUE 10, will appear on the November 5, 2019 General Election ballot.

This levy will not increase taxes!!!!
